Our dogs in the Community

Freihoffer Walk 2012—again this year Empire Servicedog Program participated in the Freihoffer Community Walk. This is the second year the dogs have participated. It's a wonderful opportunity for the dogs to be out and about. We have the opportunity to promote what we do and meet a lot of new people. We also see friends we made last year and had the opportunity to connect again. As always the weather cooperated and we had a great day to walk.
